

## **New job opportunity: Trainee carpet and floor fitter**

**Location:** Sutton Coldfield, Birmingham

**Job type:** Full-time/permanent (Monday to Friday)

**Start date:** Immediate start available

### **About us**

Langan Carpets & Interiors is a family-run business with over 30 years experience in premium flooring and interiors. Based in Sutton Coldfield, we take pride in delivering exceptional craftsmanship and a personalised service to all our customers.

Our newly refurbished Amtico One showroom in Mere Green showcases the very best in modern flooring, featuring leading brands like Amtico, Westex, and Riviera, as well as luxury curtains and wall coverings from SilentGliss.

### **About the role**

We are searching for a trainee to join our team and learn the trade from our experienced fitters, known for their traditional and supportive approach. This is a hands-on opportunity to develop expertise in installing vinyl, luxury vinyl tiles (LVT), laminate and hardwood, carpets, bespoke curtains, and wall coverings - all on site. These are skills that are in high demand, in which case we're looking to expand our workforce with an ambitious floor layer.

You'll gain a well-rounded understanding of the entire installation process, from preparing spaces and selecting materials to assisting the transformation of domestic and commercial spaces as part of a team and eventually independently.

### **Requirements**

- Punctual and professional
- Reliable and proactive attitude towards learning and working as a team
- Must be able to commute to our showroom in Mere Green. With early starts being a possibility, please consider your location and/or transport links before applying. A driving license is preferred.
- No previous experience is required - we're looking for someone new to train up the Langan way.

### **What we offer**

- Competitive pay rates
- Opportunities for overtime and weekend work
- Ongoing training and development
- Positive and supportive work environment
- Free on-site parking
